SUMMARY

Human Capital professional with more than 8 years of specialized experience in Human Capital, HCGA, and Organizational Development, supported by a total of 15 years of professional experience across mining, operational, and corporate environments. Experienced in Human Capital Development, Organizational Development, Industrial Relations, Recruitment & Talent Management, Leadership Development, HR Operations, workforce planning, HR system development, as well as General Affairs and operational support management.

Proven capability in developing HR systems, building web-based HR applications, handling industrial relations matters, and aligning HR strategies with business objectives to support organizational effectiveness and sustainable business growth. Successfully delivered leadership development programs for more than 250+ employees across multiple operational locations and organizational levels.

Possess strong leadership, communication, analytical thinking, and problem-solving skills, supported by hands-on experience in dynamic operational and site-based environments.

KEY ACHIEVEMENTS / PROJECTS

- Built and implemented an Integrated HR Management System to support HR operations, reporting, workforce management, and organizational decision-making.
- Designed and created a Leadership Activity Application to monitor leadership activities, employee development progress, and operational follow-up.
- Built an Employee Leave Request Application to streamline leave administration, approval workflow, and employee request tracking processes.
- Delivered Leadership Development Training programs for more than 250 employees across 8 operational locations, covering levels from Staff to Manager.
- Initiated and developed the Operator Development Program for unemployed high school graduates to build operational competencies and prepare them as heavy equipment operators.
- Initiated and developed the Fresh Mechanic Development Program for fresh high school graduates to develop mechanical and technical competencies within operational environments.
- Initiated and developed the Leader Development Program for university graduates to prepare future Group Leaders across All departments.

EXPERIENCE

PT Sarana Sukses Sejahtera & PT Gunungmas Sukses Makmur

Head of Human Capital Development | May 2025 – Present | North Jakarta, Indonesia

- Lead Human Capital Development strategy and organizational development initiatives.
- Manage recruitment, talent management, leadership development, and performance management programs.
